Description

Foundation for Management and Industrial Research was established in 2002 with a mission to foster economic growth for the benefit of all. The concept of sustainable development with its economic, environmental and social dimensions is fundamental to the achievement of our mission. MIR Foundation works in partnership with Macedonian enterprises to help them start, grow, innovate and win export sales and technology transfer on global markets. In this way, MIR Foundation supports sustainable economic growth, regional development and secure employment. MIR Foundation aims to transform knowledge and innovation for increased competitiveness and benefiting society. Promotes eco-innovations and turn environmental challenges into business opportunities. Innovates and research so the business and society can grow. TOWARDS STRONG, GREEN AND INNOVATIVE ECONOMY
